## OBJECTIVE

I am seeking an opportunity in an organization where my expertise in JavaScript programming, and web development can be utilized for the benefit of the team. With my strong logical and technical abilities, I am passionate about working in a computing environment.

## SKILLS

- Web Development
- HTML/CSS
- JavaScript
- Tailwind CSS
- React JS
- Next JS
- TypeScript
- Git Hub

## PROJECT

### FINAL YEAR PROJECT

#### DIGITAL STUDENT DIARY

It is a cross-platform based student-teacher-parents collaboration system for improvement of student progress tracking management.

- React Native
- Fire Base

## EXPERIENCE

**REACT JS DEVELOPER** December 2022 - Present  
Meissasoft Software company Lahore

- With my current position as a software developer since December 2022, I have gained extensive hands-on experience in frontend development, specifically with React.js, Next.js, MUI, Styled components, Tailwind CSS, and GitHub.
- During this time, I made a notable contribution to a real company project, further strengthening my abilities and confidence.
